Applications:

Introducing Hanbu Thermal Labels, a versatile product suitable for a wide range of application occasions and scenarios. Our thermal labels are made from high-quality thermal paper that offers good ink absorption, making it perfect for printing high-quality images, text, and barcodes. Our labels are long-lasting, providing fade-resistant, smudge-proof, and moisture-resistant properties that ensure your

labels remain legible and professional-looking for a long time.

If you're in the shipping or logistics industry, our thermal labels are an excellent choice for printing shipping labels, address labels, and package labels. The good ink absorption label ensures that your labels are easy to read, and the durability of the label ensures that the labels remain legible throughout the journey, even in harsh weather conditions.

If you're in the retail industry, our thermal labels are perfect for printing price tags, barcode labels, and product labels. The good ink absorption label ensures that the labels are easy to read, and the fade-resistant and moisture-resistant properties of the label ensure that your labels remain legible and professional-looking even in high traffic areas.

If you're in the healthcare industry, our thermal labels are perfect for printing patient identification labels, specimen labels, and medication labels. The durability of the label ensures that the labels remain legible even in high humidity and temperature environments, making it an ideal choice for the healthcare industry.

Our thermal labels are customizable in size, shape, and color, making it easy for you to create labels that suit your specific needs. We are proud to be ISO9001, ROHS, and CE certified, ensuring that our products meet the highest quality standards. We also have certifications from FDA, RoHS, and REACH, ensuring that our products are safe and environmentally friendly.

The minimum order quantity for our thermal labels is 2, and each roll comes with a plastic bag for safekeeping. We offer fast delivery times, with a delivery time of 4-8 working days. We accept payment through L/C, T/T, Western Union, and MoneyGram, making it easy for you to pay for your order.
