

## Product Description

### Eco Friendly Thermal Shipping Labels For Package Tracking

#### Product Description:

Our Shipping Labels are available in two different printing technologies: Thermal and Direct Thermal Printing. Both printing technologies offer high-quality printing that is easy to read and scan, making it easy for shipping carriers to sort and track your packages. Our Shipping Labels are perfect for businesses that want to streamline their shipping process. These labels are attached to packages for sorting, tracking, and delivery by shipping carriers such as USPS, FedEx, and UPS. You can use these labels to print important information such as the recipient's address, sender's address, tracking number, and more. Our Shipping Labels are also globally applicable, complying with international shipping standards and postal requirements. This ensures that your packages will be accepted and delivered in any country worldwide. Our Shipping Labels are the perfect solution for businesses looking to improve their shipping process while maintaining compliance with international shipping standards and postal requirements. These labels are designed to be environmentally friendly and are made from high-quality materials that are both durable and sustainable. Our Shipping Labels are a must-have for any business that ships products regularly. Whether you need a FedEx label, a shipment label, or any other type of label, our Shipping Labels are the perfect solution. Order now and experience the convenience and efficiency of our top-quality Shipping Labels!

### Applications:

Are you a seller who wants to ship your products to customers all over the world? Do you want to ensure that your packages reach their destination quickly and efficiently? Look no further than Hanbu's Shipping Labels!

These labels are made with permanent adhesive backing, ensuring that they will stay securely attached to your packages throughout the entire shipping process. The standard size is typically 4 inches by 6 inches, but we can customize the size to fit your specific needs. Our Shipping Labels are designed to comply with international shipping standards and postal requirements, making them perfect for global applicability. Whether you're shipping domestically or internationally, our labels will help you sort, track, and deliver your packages with ease.

Each roll of Hanbu Shipping Labels comes with plastic bag packaging, making it easy to store and protect your labels until you're ready to use them. Our labels are also certified with ISO9001, ROHS, and CE, ensuring that they meet the highest standards of quality and safety.

Ordering your Hanbu Shipping Labels is quick and easy. We have a minimum order quantity of just one roll, and we offer fast delivery times of 4-8 working days. We accept a variety of payment methods, including L/C, T/T, Western Union, and MoneyGram.

So whether you need package labels, address labels, or logistics labels, Hanbu's Shipping Labels are the perfect solution for all your shipping needs. Order now and see the difference for yourself!
