Product Description

Customizable Thermal Or Direct Thermal Water Resistant Labels With Permanent Adhesive

Product Description:

The Shipping Label comes with a permanent adhesive backing that ensures that the label stays in place during transit. This feature avoids any mishandling of the package and ensures that the package reaches its destination safely. The label's high-resolution print capability ensures that the barcode is clear and scannable, making it easier for the postal service to track the package's journey.

Our Shipping Label has global applicability and is compliant with international shipping standards and postal requirements. You can use this label for shipping to any destination worldwide, ensuring that your package reaches its destination without delay or complications. The Shipping Label is specifically designed as a shipping label, making it the perfect product for your shipping needs. It is also compatible with USPS labels, ensuring that you can use this label with ease for your USPS shipments. The label measures 4 inches, making it the perfect size for both large and small packages.

Our Shipping Label is the perfect product for anyone who wants to ensure that their packages reach their destination safely and on time. It is easy to use, durable, and scannable, making it the perfect product for both personal and professional use. Order your Shipping Label today and experience the convenience and reliability of a high-quality shipping label!

Packages

Applications:

Our shipping label is made from high-quality paper or synthetic materials, such as polypropylene, to ensure durability and longevity. It is water-resistant and tear-resistant, making it the perfect choice for shipping labels that need to withstand harsh environments. Additionally, our shipping label is customizable, allowing you to add logos, special instructions, or additional information as needed to meet your specific requirements.

Our shipping label is perfect for businesses of all sizes and types. It is particularly useful for e-commerce businesses that need to ship products to customers around the world. With our shipping label, you can ensure that your products arrive at their destination on time and in good condition.

Our shipping label is also ideal for businesses that are looking for environmentally friendly solutions. We offer environmental labels that use recyclable materials or are designed to reduce environmental impact. Our labels are certified by ISO9001, ROHS, and CE, ensuring that they meet the highest standards for quality and environmental sustainability.

When you order our shipping label, you will receive high-resolution labels that are easy to apply and use. Each roll comes with plastic bag packaging, ensuring that the labels remain in good condition during transport. Our minimum order quantity is just one roll, making it easy for businesses of all sizes to order the labels they need.

We offer fast delivery times of 4-8 working days to ensure that you receive your labels in a timely manner. We accept a variety of payment terms, including L/C, T/T, Western Union, and MoneyGram, to make it easy for you to pay for your order.

In summary, Hanbu's shipping label is a versatile, durable, and customizable product that is perfect for businesses of all sizes and types. With our high-resolution labels, environmental labels, and fast delivery times, you can ensure that your products arrive at their destination on time and in good condition.
