### Applications:

Our shipping labels are designed to meet the highest standards in the industry, with ISO9001, ROHS, and CE certifications to prove it. You can trust that our labels will meet all of your needs and exceed your expectations.

Each roll of our shipping labels is packaged with a plastic bag, making it easy to store and use. And with a minimum order quantity of just 1 roll, you can order exactly what you need without any excess.

Our shipping labels are also incredibly versatile, with high-resolution print capabilities that allow for clear barcode scanning. The labels include important information fields like the sender's address, recipient's address, tracking barcode, shipping method, and possibly other custom fields.

Our shipping labels are designed as a custom shipment label, with a permanent adhesive backing that will securely attach to your packages. This ensures that your labels stay in place during transit and arrive at their destination intact.

At Hanbu, we understand that time is of the essence when it comes to shipping products. That's why we offer a delivery time of just 4-8 working days, so you can get your labels quickly and start using them right away. And with payment terms that include L/C, T/T, Western Union, and MoneyGram, you can choose the payment method that works best for you.

So if you're in need of a high-quality package label or postage label, look no further than Hanbu's shipping label product. With our reliable, customizable, and efficient shipping labels, your packages will arrive at their destination safely and on time.
