Information Fields	Includes sender's address, recipient's address, tracking barcode, shipping method, and possibly other custom fields

Strong adhesion guarantees
that the label will not
fall off

Suitable for Multiple
Packages

Applications:

Hanbu Shipping Label is a high-quality product that is ideal for a wide range of shipping applications. Made in China, this product is certified with ISO9001, ROHS, and CE, ensuring its quality and safety. The minimum order quantity for Hanbu Shipping Label is 1, and it is packaged in a plastic bag for each roll. Delivery time is 4-8 working days, and payment terms include L/C, T/T, Western Union, and MoneyGram.

These 4 inches labels are perfect for custom shipment labels. The permanent adhesive backing ensures that the label stays in place during shipping and handling. Hanbu Shipping Label is water-resistant and tear-resistant, making it perfect for use in harsh environments. One of the key features of Hanbu Shipping Label is its user-friendly application and compatibility with standard printing equipment. This makes it easy to print out the label and attach it to your package quickly. The label includes sender's address, recipient's address, tracking barcode, shipping method, and possibly other custom fields, making it easy to track your package throughout the shipping process.

Another advantage of Hanbu Shipping Label is its global applicability. It complies with international shipping standards and postal requirements, ensuring that your package will be accepted and delivered anywhere in the world.

Overall, Hanbu Shipping Label is an excellent product for anyone who needs high-quality, tear-resistant labels for their shipping needs. Its user-friendly design and compatibility with standard printing equipment make it easy to use, while its compliance with international shipping standards ensures that your package will arrive at its destination safely and on time.
