Product Description

Eco Friendly Customizable Shipping Labels For Paperless Shipping

Product Description:

Our Shipping Labels can be printed using both Thermal and Direct Thermal Printing Technology, providing you with flexibility in your printing options. Choose from our paper or synthetic materials, such as Polypropylene, to suit your specific shipping requirements. Our Shipping Labels are designed with Global Applicability in mind. They comply with International Shipping Standards and Postal Requirements, making them ideal for businesses that export their products worldwide. No matter where your package is headed, our labels will ensure that it meets all necessary regulations.

Our Shipping Labels are not only functional but also environmentally friendly. They are part of our Environmental Labels range, which strives to minimize waste and reduce the impact on the environment. The labels are also tear-resistant, ensuring that they remain intact during transit, reducing the risk of mislabeling and lost packages.

In summary, our Shipping Labels are the perfect solution for your Freight Label needs. They feature Permanent Adhesive Backing, High Resolution For Clear Barcode Scanning, Thermal Or Direct Thermal Printing Technology, Global Applicability, and are available in Paper or Synthetic materials, including Polypropylene. They are part of our Environmental Labels range and are tear-resistant, ensuring your packages arrive safely at their destination.

that the label will not
fall off

Suitable for Multiple
Packages

Applications:

Looking for durable and waterproof labels to attach to your packages for sorting, tracking and delivery by shipping carriers? Look no further than Hanbu Shipping Labels!

Made in China, these high-quality labels are certified with ISO9001, ROHS and CE, ensuring they meet international standards for quality and safety. Each roll comes with plastic bag packaging, making them easy to store and transport.

Whether you need standard 4 inches by 6 inches shipping labels, or customizable options to meet your specific needs, Hanbu has got you covered. These labels are water-resistant and tear-resistant, ensuring they stay in place and remain legible throughout the shipping process.

With a minimum order quantity of just one roll, you can easily stock up on Hanbu Shipping Labels without breaking the bank. And with a delivery time of just 4-8 working days, you won't have to wait long to start using them.

When it comes to payment, Hanbu accepts a variety of options including L/C, T/T, Western Union and MoneyGram. And if environmental impact is a concern, these labels may use recyclable materials or be designed to reduce environmental impact.

So if you're in need of high-quality Shipment Labels, look no further than Hanbu. Trust us, your packages will thank you!
