## Product Description

### Custom Environmentally Responsible Water Resistant Water Resistant Labels Rolls

#### Product Description:

Our Shipping Labels are available in a variety of sizes, including the standard 4 inches by 6 inches, as well as customizable sizes to fit your specific needs. Our Shipping Labels are made with high-quality materials, ensuring that they are water-resistant and tear-resistant, providing maximum protection for your packages.

Our Shipping Labels use either Thermal or Direct Thermal Printing technology, ensuring that your labels are printed with clarity and precision. This technology ensures that your labels are easy to read, providing clear identification for your packages.

Our Shipping Labels are designed to be environmentally friendly. We use recyclable materials wherever possible and design our labels to reduce environmental impact. This means that you can feel good about using our Shipping Labels, knowing that you are doing your part to protect the environment.

Our Shipping Labels are the perfect solution for all your shipping needs. Whether you need an Address Label for a small package or a Freight Label for large shipments, our Shipping Label product has got you covered. With our high-quality materials, durable design, and customizable options, our Shipping Labels are the perfect solution for businesses of all sizes.

### Applications:

Our custom shipment labels are perfect for any occasion or scenario where packages need to be sorted, tracked, and delivered by shipping carriers such as USPS, FedEx, and UPS. With their high-resolution print capabilities, our labels ensure clear barcode scanning for easy tracking and delivery.

Our shipment labels are also designed with ease of use in mind. They are compatible with standard printing equipment and come with user-friendly application instructions, so you can quickly and easily apply the labels to your packages.

At Hanbu, we understand that every business has unique needs, which is why we offer customizable options for our shipment labels. You can add your company logo, special instructions, or additional information as needed to ensure your packages are properly sorted and delivered.

In addition to being customizable, our shipment labels are also environmentally conscious. We offer labels made with recyclable materials and designs that reduce environmental impact.

When you order from Hanbu, you can expect a minimum order quantity of 1 roll, with each roll coming packaged in a plastic bag for added protection during shipping. Our delivery time is quick, with your shipment labels arriving in 4-8 working days. We also offer flexible payment terms, including L/C, T/T, Western Union, and MoneyGram.

Don't settle for generic shipment labels. Choose Hanbu for high-quality, customizable, and environmentally conscious custom shipment labels that meet all your business needs.
