Product Description

Removable Waterproof Colored Labels In Rectangle And Round Shapes

Product Description:

Our Colored Labels are perfect for a wide variety of applications, including organizing files, labeling products, and even creating eye-catching displays. With our wide range of colors, you can create a rainbow labeling system that is both practical and visually appealing. Our Colored Labels are also great for creating permanent color stickers that won't fade or peel over time. And if you need to remove them, no problem! Our adhesive is designed to be removable, so you can easily change or update your labeling system without leaving any residue behind.

Our Colored Labels are printed using the latest digital printing technology, ensuring crisp and clear images that are perfect for logos, graphics, and text. And with our neon colored stickers, you can create labels that really stand out and grab attention.

So whether you're looking to organize your office, label your products, or create eye-catching displays, our Colored Labels are the perfect solution. With their durable paper material, rainbow labeling options, and neon colored stickers, you can create a labeling system that is both practical and visually appealing.

Applications:

These colored labels are perfect for a variety of product application occasions and scenarios. The primary color tags are great for organizing and categorizing various items in your home or office. Use them to label folders, boxes, drawers, and more. The assorted color labels are also great for color-coding your inventory, making it easy to quickly identify and locate specific items.

These labels are also waterproof, making them ideal for labeling items that may be exposed to moisture or liquids. The removable adhesive type also allows for easy removal without leaving any residue, making them perfect for labeling items that may need to be re-labeled or repositioned at a later time.

These colored labels are also chemical-resistant, making them a great choice for labeling items that may be exposed to chemicals or solvents. The digital printing technology used in these labels ensures that the colors are vibrant and long-lasting.

Each roll of Hanbu's colored labels comes with plastic bag packaging, and the minimum order quantity is 1. Delivery time is 4-8 working days, and payment terms include L/C, T/T, Western Union, and MoneyGram.
