Product Description

Assorted Vibrant Paper Label Colors In Rectangular Or Round Shapes

Product Description:

Our colored labels are made of paper, which is a durable material that can withstand different environmental conditions. These labels come in various sizes, which means that you can choose the right size that fits your labeling needs. Whether you need small or large labels, we have them all.

Our colored labels for packaging are perfect for labeling your products. The vibrant colors of our labels will make your products stand out, and your customers will be able to identify your products quickly. You can use our colored labels to differentiate your products, indicate product types, or provide instructions for use.

Our colored labels are compatible with most surfaces, which means that you can use them on different items. Whether you want to label your files, folders, boxes, or jars, our colored labels will stick to them perfectly. You don't have to worry about the labels falling off or getting damaged because our labels are made of durable color materials.

Our colored labels come with a removable adhesive type that is easy to peel off. You can remove the labels without leaving any residue or damaging the surface. This makes our colored labels perfect for temporary labeling, labeling items that need to be reused, or labeling items that might be returned.

Our colored labels come in rectangular or round shapes, which means that you can choose the shape that suits your labeling needs.

Whether you want to label your products with circular labels or rectangular labels, we have them all.

Our colored adhesive labels are perfect for different applications, and they are easy to use. You can print on them using your inkjet or laser printer, or you can write on them using a pen or a marker. With our colored labels, you can easily customize your labeling needs and make your items look more professional and organized.
