Product Description

Customized Thermal Paper Sticker Label Rolls Direct Thermal Barcode Shipping Printer Label

Product Description:

Our Shipping labels are compatible with both thermal and direct thermal printing technology, ensuring that your labels are always printed with the highest quality and accuracy. They come in both paper and synthetic materials, such as Polypropylene, which are environmentally friendly and may use recyclable materials to reduce their environmental impact.

Our Custom Shipment Label options allow you to create your own unique label design, including options for adding your company logo or other branding elements. This can help to increase brand awareness and make your shipments look more professional.

Whether you need an Address Label to make sure your package gets to the right destination, or a Custom Shipment Label to highlight your brand and make your package stand out from the rest, our Shipping label product has you covered. So why wait? Order your Shipping labels today and start improving your shipping process immediately!

fall off

Suitable for Multiple
Packages

Applications:

Are you looking for a reliable and high-quality shipping label product? Look no further than Hanbu's shipment label! Our product is made in China and is certified with ISO9001, ROHS, and CE certifications to ensure the best quality for our customers.

Our shipment label is perfect for a variety of occasions and scenarios, including package labeling, custom dispatch labeling, and more. With a minimum order quantity of just one, you can order exactly what you need without any excess waste. Each roll is packaged with a plastic bag to ensure protection during shipping.

Our delivery time is quick, with orders typically arriving within 4-8 working days. We accept a variety of payment methods, including L/C, T/T, Western Union, and MoneyGram to make the ordering process as convenient as possible for our customers.

Our shipment label includes important information fields such as the sender's address, recipient's address, tracking barcode, shipping method, and possibly other custom fields. The print resolution is high to ensure clear barcode scanning, and the permanent adhesive backing ensures the label will stay in place during shipping.

Our shipment label complies with international shipping standards and postal requirements, making it a great option for global applicability. Additionally, we strive to reduce our environmental impact by using recyclable materials in our product design.

Choose Hanbu's shipment label for a reliable and high-quality labeling solution for all of your shipping needs. Contact us today to place your order!
