Product Description

Packaging Labels Food Stickers PVC Label For Foods

Product Description:

Our Food Sticker Labels are made from high-quality, durable materials such as paper, vinyl, polypropylene, and PET that are designed to withstand harsh environmental conditions. These materials are resistant to high and low temperatures and can withstand extreme freezer temperatures, ensuring your labels remain in place and readable even in the harshest of conditions.

Our adhesive options include permanent, removable, and freezer-grade adhesives that are ideal for different labeling needs. Permanent adhesive labels are perfect for labeling products that require long-term identification, while removable adhesive labels can be easily removed without leaving any residue. Freezer-grade labels are perfect for labeling frozen food products that require long-term storage under low temperatures.

We offer full-color printing and custom color options to ensure your labels are visually appealing and meet your brand's color scheme. Our Food Sticker Labels are also designed to be waterproof and water-resistant, making them ideal for labeling food products that are exposed to moisture. This ensures that your labels remain intact and readable even in wet conditions.

Our Food Sticker Labels are perfect for labeling food products such as fruits, vegetables, packaged foods, meat, and dairy products.

These labels help to ensure food safety by providing clear and accurate information about the contents of the product, including the expiry date, nutritional information, ingredients, and any allergens present in the food.

In conclusion, our Food Sticker Labels are an essential tool for any food industry business looking to ensure food safety and compliance with industry regulations. With our wide variety of label materials, adhesive types, colors, and water resistance levels, we can meet all your labeling needs. Order your Food Sticker Labels today and experience the convenience and reliability they provide!
