Product Description

Product Description:

Our colored labels are designed with a removable adhesive type, making it easy to remove and reposition them without leaving any residue. This allows for flexibility in the labeling process and saves you time and effort.

The printing technology used in our colored label product is digital printing. This results in high-quality, vibrant colors that are sure to catch the eye. The labels are shaped in either a rectangular or round shape, depending on your preference.

Our colored label product has standard chemical resistance, ensuring durability and longevity in various environments. Whether you need to label items in a warehouse, office, or home, our labels will withstand the wear and tear of everyday use.

Our colored label product is perfect for a variety of applications, including organizing files, labeling storage containers, and categorizing products. The versatility of our color-coded stickers allows for endless possibilities in the labeling process.

With our colored label product, you can easily identify and categorize your items with ease. The removable adhesive type, digital printing technology, and standard chemical resistance make our secondary color labels a must-have for any labeling project. Order now and experience the convenience and organization our colored label product has to offer!
