## Product Description

### Custom Label Waterproof Self Adhesive Brand Logo Sticker Business Label Vinyl Printing Adhesive Packaging Label Stickers

#### Product Description:

Our customization options include custom text, custom design, and variable data printing, allowing you to create a label that is completely unique to your business. Whether you need a hot stamping label for a luxury product or a cosmetic label printing for a beauty product, we have the right customization options for you.

We use a range of printing methods to ensure that your labels are of the highest quality. Our digital printing process offers fast turnaround times and excellent quality, while our offset printing and flexographic printing methods offer superior color reproduction and durability.

In addition to standard shapes such as square, rectangle, and round labels, we also offer custom shapes to ensure that your labels stand out from the crowd. Whether you need a label in the shape of your logo or a unique shape to fit your product, we can create a label that perfectly fits your needs.

We offer a range of materials to suit your labeling needs, including paper, vinyl, polyester, and polypropylene. Each material offers different properties, such as waterproofing or durability, to ensure that your label is fit for purpose.

So, whether you need a custom printed label for your products or for your business, we have the expertise and experience to help you create the perfect label for your needs. Contact us today to discuss your requirements and to get started on your custom label printing project.

### Applications:

Hanbu Printing Labels are a versatile and high-quality product that can be used for a wide range of applications. Made in China with ISO9001, ROHS, and CE certifications, these labels are designed to meet the needs of businesses and individuals alike. With a minimum order quantity of just 1, Hanbu Printing Labels are accessible to anyone who needs them. Each roll is packaged in a plastic bag, ensuring that the labels stay safe and protected during transport. Delivery time is typically 7-10 working days, and payment can be made

via L/C, T/T, Western Union, or MoneyGram.

Customization options are available for Hanbu Printing Labels, including custom text, custom design, and variable data printing. This allows businesses to create labels that are tailored to their specific needs and requirements. Hanbu Printing Labels can be printed using digital printing, offset printing, or flexographic printing, depending on the needs of the customer.

There are many occasions and scenarios where Hanbu Printing Labels can be used. For example, they can be used as anti-counterfeit labels to protect products from counterfeiters and ensure that customers receive genuine products. They can also be used as hot stamping labels, which add an extra layer of security to products and help to prevent tampering. Additionally, Hanbu Printing Labels are water-resistant, tear-resistant, and UV-resistant, making them ideal for use in outdoor or harsh environments.

Compatibility with standard printers makes Hanbu Printing Labels a convenient and easy-to-use product. They can be used to label products, packages, or equipment, or to create promotional or informational materials. With full-color printing, white printing, and custom color options available, Hanbu Printing Labels are a versatile and eye-catching product that can help businesses to stand out from the crowd.
