Thermal Labels Colorful Rectangle Self Adhesive Printable Thermal Blank Label Roll

Product Description:

The Colorful Label Stock comes in both rectangular and round shapes, making it a versatile option for any labeling project. The label material is made of high-quality paper, ensuring that your labels are durable and long-lasting. This makes it a great option for labeling items that will be handled frequently or exposed to various conditions.

Our Colorful Label Stock is compatible with most surfaces, so you don't have to worry about it not adhering properly. Whether you're labeling glass, plastic, metal, or paper, our label stock will stick to it with ease. This makes it a great option for labeling a variety of items, including jars, bottles, folders, and more.

The Colorful Label Stock has standard chemical resistance, ensuring that your labels won't be affected by common household chemicals. This makes it a great option for labeling items that will be used in the kitchen, bathroom, or any other area where chemicals may be present.

The adhesive type used on our Colorful Label Stock is removable, which means that you can easily reposition or remove the label without leaving any residue behind. This makes it a great option for labeling items that will be reused or repurposed.

Our Colorful Label Stock is perfect for anyone who wants to add a touch of personality and style to their labeling projects. With our rainbow labeling, your labels will be an eye-catching work of art that will make your items stand out from the rest. Whether you're labeling items for personal or business use, our Colorful Label Stock is the perfect option for you!
