Applications:

These Alert tags are suitable for a variety of applications and scenarios, from wet floors in commercial kitchens to icy sidewalks in front of homes. They are particularly useful in high-traffic areas where safety is of the utmost importance, such as construction sites, factories and warehouses.

The Hanbu Warning Label product is proudly made in China and is certified with ISO9001, ROHS and CE certifications, ensuring that it meets all necessary standards for quality and safety. Each roll is packaged in a plastic bag, making it easy to transport and store until needed. Delivery time is typically 4-8 working days, with a minimum order quantity of 1 package.

These Precaution labels are designed to withstand a variety of weather conditions, making them ideal for outdoor use. They are waterproof, ensuring that they remain legible and effective even in wet conditions. The black and red diagonal stripes are bold and eye-catching, providing a clear warning to those in the area.

Customization is available for those who require specific messaging or branding. The factory has over 15 years of experience in producing high-quality warning labels, ensuring that customers receive a product that meets their specific needs and requirements. Payment terms include L/C, T/T, Western Union and MoneyGram. Delivery typically takes 10-15 days. The bold font used in the design ensures that the message is clear and easy to read, even from a distance.

Overall, the Hanbu Warning Label product is a reliable and effective solution for a range of safety hazards. Its versatility, durability, and customization options make it an ideal choice for those in need of a high-quality warning label.
