Product Description

Waterproof Paper Label For Products Food Beverage And Packaging

Product Description:

Our Colored Labels are resistant to standard chemicals, ensuring that they remain intact and legible even in harsh environments. Additionally, they are waterproof, making them ideal for use in damp or wet conditions. Whether you need to label products for storage or shipping, our Colored Labels will keep your items organized and easily identifiable.

We offer a variety of sizes to fit your specific labeling needs, ensuring that you can label items big and small with ease. Our Colored Labels are available in nine different colors: Red, Blue, Green, Yellow, Orange, Purple, Pink, Black, and White. Choose the color that best suits your organizational needs, or mix and match for a fun and colorful labeling system.

With our Colored Labels, you also have the option of custom color printing. If you have a specific color in mind that is not included in our standard color options, we can print your labels in your desired color. Simply provide us with the color code or a physical sample, and we will create your custom labels.

Our Colored Labels are perfect for a variety of applications, including organizing files, labeling products, and identifying equipment. They are also great for use in schools, offices, and homes. Whether you need to label storage containers, mark items for shipment, or identify equipment in your workspace, our Colored Labels will make your life easier.

Don't settle for plain, boring labels. Choose our Colored Labels for a fun and colorful labeling solution that will help you stay organized and on top of your game. Order yours today!

Size:	Various Sizes Available
Printing Technology:	Digital Printing
Application:	Color-coding
Compatibility:	Compatible With Most Surfaces
Shape:	Rectangular Or Round
Label Material:	Paper
Chemical Resistance:	Standard
Adhesive Type:	Removable

Applications:

The Hanbu colored label product is perfect for a variety of occasions and scenarios. The pastel label hues are great for organizing events such as weddings, baby showers, and birthday parties. The secondary color labels are perfect for color-coding files, folders, and drawers. The vibrant label colors stand out and are great for labeling products or items to be sold in stores.

The rectangular or round shape of the labels make them versatile and compatible with most surfaces. The label material is made of paper and the adhesive type is removable, making it easy to reposition or remove the labels without leaving any residue or damage to the surface. The product also has standard chemical resistance, ensuring that the label will not be affected by common chemicals or substances.
