Product Description:

Our Warning Symbols Labels design is perfect for Slippery Surface Warning Tags, providing a clear warning to anyone who sees it. If you need a custom design, we can also assist with that. We can print custom designs that will fit your specific needs and requirements. Our waterproof feature ensures that this Warning Signs Sticker is perfect for both indoor and outdoor use. Whether it's raining or there's high humidity, you can be sure that our labels will stay in place and won't easily peel off. This makes it perfect for any environment, whether it be in a factory, warehouse, construction site, or even at home.

The custom color feature of our Warning Symbols Labels is perfect for businesses or companies that want to match their brand colors. We can print our labels in any color of your choice, ensuring that they blend in seamlessly with your existing branding. This makes it perfect for businesses that want to warn their customers or employees of any potential hazards.

Our Warning Symbols Labels are versatile and can be used for a variety of purposes. Whether you need to warn people of a slippery surface, a low clearance, or any other potential hazards, our labels will get the job done. These labels are easy to apply and can be placed on any surface, making them perfect for any location.

In summary, our Waterproof Warning Symbols Labels are perfect for anyone who needs a reliable and long-lasting warning sign sticker. With its permanent adhesive type, eye-catching design, and custom color feature, you can be sure that our labels will meet all your needs and requirements. Whether it's for indoor or outdoor use, our labels will stay in place and provide a clear warning to anyone who sees them. So, if you need Slippery Surface Warning Tags or any other types of warning labels, look no further than our product!

Introducing Hanbu's Custom Warning Label, a self-adhesive label that can be customized to fit your specific needs. Our warning labels are made in China, with 15 years of factory experience, and are certified with ISO9001, ROHS, and CE. Each roll comes with plastic bag packaging and has a minimum order quantity of 1. Our delivery time is 4-8 working days and we accept payment terms of L/C, T/T, Western Union, and MoneyGram.

Our Custom Warning Labels are ideal for a variety of occasions and scenarios. For instance, if you have a slippery surface in your workplace, you can use our Slippery Surface Warning Tags to alert employees and visitors of potential hazards. These warning tags can

be placed on floors, stairs, and other surfaces to prevent slip and fall accidents.

Another scenario where our Custom Warning Labels can be useful is in the transportation industry. If you are shipping fragile or hazardous materials, our warning labels can ensure that the package is handled with care. You can customize the label to include specific handling instructions or warnings.

Our Custom Warning Labels can also be used in construction sites, manufacturing plants, and other industrial settings. If you have machinery or equipment that poses a danger to workers, our warning labels can help prevent accidents. You can customize the label to include specific warnings or instructions on how to use the equipment safely.

Overall, Hanbu's Custom Warning Labels are versatile and can be used in a variety of settings to promote safety. With our delivery time of 10-15 days, you can have your warning labels in no time. Contact us today to place your order!
