### Applications:

The Hanbu P11 Tablet POS is an excellent Android POS System that can be used in various occasions and scenarios. It is a perfect tool for businesses that require a mobile, flexible and powerful POS system. Here are some of the product application occasions and scenarios:

#### 1. Retail Stores and Supermarkets

The Hanbu P11 Tablet POS can be used in retail stores and supermarkets where the salesperson can use it as an Android Handheld POS Terminal to scan the products, calculate the total amount and accept the payment from the customer. The capacitive ten-point touch screen makes it easy for the salesperson to navigate the system and serve the customers with ease.

#### 2. Hospitality Industry

The Hanbu P11 Tablet POS can be used in restaurants, cafes, bars, and hotels. The salesperson can use the Android POS Terminal to take orders, process payments, and print receipts on the spot. The NFC feature allows for easy and secure payment from the customers. The 4GB RAM ensures smooth and efficient operation of the system, even during peak hours.

#### 3. Events and Exhibitions

The Hanbu P11 Tablet POS can be used in events and exhibitions where the salesperson can use it as an Android Handheld POS Terminal to sell products and collect payments from customers. The tablet POS can be carried around easily, making it convenient for the salesperson to move around and serve customers in different areas of the event.

#### 4. Mobile Businesses

The Hanbu P11 Tablet POS can be used in mobile businesses such as food trucks, pop-up shops, and market stalls. The Android POS Terminal can be easily carried around, and the capacitive ten-point touch screen makes it easy for the salesperson to take orders, process payments and print receipts on the spot.

The Hanbu P11 Tablet POS is certified with CE, ROHS, and CE/3CV. It has a minimum order quantity of 1 and can be delivered within 5-

7 days. Its screen size of 11 inches makes it easy to read and navigate. Its NFC feature supports ISO/IEC 14443 Type A/B, Mifare 1. The Hanbu P11 Tablet POS is an excellent tool for businesses that require a mobile, flexible, and powerful POS system.
