### Applications:

Introducing the Hanbu P11, an all-in-one POS solution designed to meet the needs of various industries. With its powerful 4-Core RK3562\*2.0GHz processor and 4GB RAM, the P11 delivers smooth and efficient performance, running on the latest Android 12 operating system.

Certified by CE and ROHS, the Hanbu P11 is guaranteed to meet the highest quality standards. It also boasts a 2.4G/5G 802.11 a/b/g/n WIFI module, ensuring stable and fast internet connectivity.

The Hanbu P11 is perfect for retail businesses, with its sleek design and easy-to-use interface. It can handle a variety of payment methods, including credit cards, mobile payments, and QR codes, making transactions quick and hassle-free.

The P11 is also an ideal choice for restaurants, with its powerful software that allows for seamless ordering and payment processing. Its compact size makes it easy to place on a countertop, saving valuable space in the kitchen or dining area.

Hospitals can benefit from the P11's efficient management of patient information and medication records. Its user-friendly interface makes it easy for healthcare professionals to access patient data, ensuring accurate and timely treatment.

For the hospitality industry, the P11 provides a convenient solution for managing check-ins, room assignments, and billing. Its compact size and sleek design make it a perfect fit for hotel lobbies and front desks.

With a minimum order quantity of 1 and delivery time of 5-7 days, the Hanbu P11 is a reliable and efficient choice for businesses of all sizes. Choose the P11 and experience the power of an Android POS PC in an all-in-one POS terminal.

### Customization:

Customize your Handheld POS Terminal with Hanbu's model number P11. Our product is certified with CE and ROHS, ensuring quality and safety. Our minimum order quantity is 1 and delivery time is 5-7 days. Our Android POS PC runs on operating system Android 12 and features Capacitive Ten-Point Touch. With 4GB of ram, our model HB-P11 is perfect for your retail, restaurant, hospital, or hospitality application needs.
